

## Argus Media COVID19 Policy - England

We are following government regulations and guidelines for our in-person events, please [click here](#) for more information.

If you are attending a hybrid event, attendees who do not wish to attend in person can register for virtual attendance. For those attending in person, we ask that all attendees take personal responsibility for their health and safety and be mindful of the health and safety of others near and around them.

Our Covid policy for attending in person is:

- All attendees must visual proof of a negative lateral flow test [or full vaccination] on your arrival to the Ballroom Foyer (Forum location within The Biltmore)
- Facemasks are recommended throughout the event
- Attendees are requested not to attend if they are experiencing any COVID-19 symptoms or have a positive test. The forum is available online and will be streamed live for those who cannot attend in person

If you are experiencing any Covid-19 related symptoms such as high temperature, a new continuous cough, loss of smell or taste, etc. or if you have been in contact with someone who has had Covid-19 in the past ten days, you must not attend the forum in person. Please contact the events team to assist you with converting your pass to virtual attendance (if applicable). Please email [argusforums@argusmedia.com](mailto:argusforums@argusmedia.com) for assistance.

During the event:

- Please allow more time for collecting your badge as we have measures in place for social distancing at registration
- Hand sanitising stations will be located around the venue
- Whilst networking, please remember not all attendees may be comfortable shaking hands

*All the above is subject to change to meet changing regulations from England's government and local authorities, and to comply with hotel policies in response to the pandemic.*
