About the event

The marketplace for clean marine fuels - connect with marine stakeholders and unlock offtake deals

The Argus Green Marine Fuels Conference will take place in Europe, on April 2027.

Join your international peers at the region's premier event for green marine fuels to stay ahead in a rapidly growing global market. Designed for industry newcomers through to market leaders and technical experts, this is your opportunity to gain the insights needed to remain competitive and informed on developments across Europe and beyond.

Sponsoring or exhibiting at an Argus marine fuels event will bring you face-to-face with influential decision-makers from across the extended supply chain. The relationships formed at an Argus event lead to business opportunities that can't be found anywhere else. ■ Sponsorship options include

Lanyard sponsorship

Maximise your visibility by having your brand worn by every single delegate at the conference. Includes delegate passes.

Workshop add-on

Highlight your thought leadership and educate your new and existing clients while hosting a dedicated workshop or introduce your new service at the conference.

Breakfast, refreshment break or lunch sponsorship

Sponsor a seated lunch, complete with your own dedicated signage, personalised napkins and table tent cards. Includes delegate passes and a five-minute welcome speech.

Networking zone sponsor

Place your brand at the heart of networking. Opportunities for branded banners, charging stations and branded table covers.

Themed networking drinks sponsorship

Host a themed drinks reception at Argus conferences. This is your opportunity to brand the networking drinks reception and host attendees in an informal setting. Includes a welcome speech, branding and delegate passes.

Exhibiting packages
